CHOULTRY PLAIN, *March 15, 1803.*

ORDERS BY MAJOR GENERAL SMITH.

The following Extracts from General Orders issued in Camp by the Commander in Chief, are by his Excellency's Order published to the Army.

Extract of G. O. dated Camp at Mycondah, 2d March, 1803.

The following extract from the proceedings of a General Court Martial of which Lieutenant Colonel Wallace was President, which assembled in Camp at *Chittledroog* on the 20th February 1803, for the trial of Captain Robert Fletcher of the 1st Battalion 17th Regiment of Native Infantry, on charge preferred against him by Major George Bowness, Commanding that Corps, is published to the Army.

CHARGE.—Captain Robert Fletcher of the 1st Battalion of the 17th Regiment of Native Infantry, ordered under arrest by me on the following charges viz.

CHARGE 1st—For making use of mutinous expressions, thereby endeavouring to poison the minds of the Officers of the 1st Battalion 17th Regiment against the Commander in Chief, on the march from Madras to this place.

CHARGE 2d—For disrespect to me his immediate Commanding Officer—1st, In consequence of my refusal to try a maty boy in his service by a Court Martial,—2, In demanding from the Adjutant in my presence on the Parade, after the Corps was dismissed, if it was his (Captain Fletcher's) duty to pay the usual compliment to the Adjutant of the Corps, when he went down the line to receive the reports, his neglect of which that evening, I deemed it necessary to notice at the moment on the parade.

CHARGE 3d—For endeavouring to stir up the Sepoys of his Company to make a complaint to him for a temporary scarcity of Rice in Camp, when I had used my utmost exertions to supply the Detachment with that Article.

CHARGE 4th—For writing a scandalous, infamous, and ill founded Letter to me, containing matter of the most prejudicial nature to my character, as an officer and a gentleman.

CAMP NEAR ALLYPAUK, 11th January, 1803.

(Signed) GEORGE BOWNESS,
Major Commanding.

BY ORDER

(Signed) P. A. AGNEW,
Adjutant General of the Army.

SENTENCE—The Court having duly weighed and considered the whole of the matter produced in evidence in support of the prosecution, as well as what the prisoner Captain Fletcher has urged in his defence, and the evidence in support thereof, is of opinion.

1st—That the Prisoner Captain Fletcher, is not guilty of the 1st charge preferred against him—viz.—"For making use

"of

" of mutinous expressions, thereby endeavouring to poison the " minds of the Officers of the 1st Battalion of the 17th Regi- " ment Native Infantry, against the Commander in Chief, on "the march from Madras to this place," and do therefore aquit him of it accordingly.

2dly.--The court is of opinion that the prisoner is not guilty of the 2d charge viz.--"For disrespect to me his im- " mediate Commanding Officer, 1st--In consequence of my " refusal to try a Maty Boy in his service by a Court Martial, "2d--In demanding from the Adjutant in my presence on the " parade after the Corps was dismissed, if it was his (Cap- " tain Fletcher's) duty to pay the usual compliments to the " Adjutant of the Corps, when he went down the line to " receive the reports, his neglect of which that evening, I " had deemed it necessary to notice at the moment on the " parade"--and do therefore acquit him of the whole of it accordingly.

3dly.—The Court is of opinion that the prisoner Captain Fletcher, is not guilty of the 3d charge, viz.—"For endeavour- " ing to stir up the Sepoys of the Company, to make a com- " plaint to him for a scarcity of rice in camp, when I had " used my utmost exertions to supply the Detachment with " that Article"—and do therefore acquit him accordingly.

On the 4th and last charge viz.—"For writing a scandalous infamous, and ill founded letter to me, containing matter of the most prejudicial nature to my character as an officer and a gentleman, the Court is of opinion, that the prisoner Cap- tain Fletcher, is guilty of having written an improper, and dis- respectful letter to Major Bowness his Commanding Officer, which being to the prejudice of good order, and military dis- cipline, it does therefore sentence him to be reprimanded in public orders by the Commander in Chief.

(Signed) J. HANDASYDE, *Judge Advocate.*

(Signed) W. WALLACE, *Lieutenant Colonel and President.*

APPROVED AND CONFIRMED.
(Signed) J. STUART.

The Commander in Chief has approved, and confirmed the sentence awarded by the General Court Martial on the trial of Captain Robert Fletcher of the 1st Battalion of the 17th Regi- ment Native Infantry, and thus publicly reprimands him for presuming to write an improper, and disrespectful letter to Ma- jor Bowness his Commanding Officer.

The evidence produced by Captain Fletcher, to shew that insinuations injurious to the character of his immediate Com- manding Officer, were frequently brought to his notice in con- versation with other Officers of the Corps, and that he had in vain attempted to check them, proves the existence of general habits of insubordination in that Corps, but does not in the o- pinion of the Commander in Chief, palliate the crime of which Captain Fletcher was guilty.—It was his duty to have taken measures for bringing to public trial, any Officers of the Corps, who, disregarding his admonitions, expressed in his presence, the character of his Commanding Officer, instead of collecting the

the desultory calumny which he had so feebly attempted to check, and conveying it for himself to Major Bowness in an official form, not the less offensive from the specious professions of regret which accompanied this extraordinary call on his immediate superior, to take measures "to establish the integrity of his character."

Captain Fletcher is removed from the 1st to the 2d Battalion of the 17th Regiment of Native Infantry, and directed to quit the Army tomorrow morning on his route to join that Corps at *Chicacole*.—He will wait on the Adjutant General this evening, to receive the necessary passport.

It is with concern, that the Commander in Chief feels it incumbent on him, to mark his disapprobation of the conduct of Major Bowness, in bringing for investigation before a General Court Martial, charges of the most serious nature, which do not appear to have been supported by any adequate proof.

The Commander in Chief trusts that the sentence on Captain Fletcher, will operate as a check to the habits of insubordination which have obtained in the 1st Battalion 17th Regiment Native Infantry, and as they appear to have arisen from a laxity of discipline, His Excellency directs Colonel Wahab to assume the immediate command of that Corps from this date.

Captain P. S. Creswell, is removed from the 2d to the 1st Battalion of the 17th Regiment of Native Infantry.

ORDERS BY MAJOR GENERAL SMITH.

The following extracts from General Orders issued in camp by the Commander in Chief, are by his Excellency's order published to the army.

Extract from General Orders by the Commander in Chief, dated HEAD QUARTERS, CAMP MOLOOR, May 28, 1803.

The General Court Martial, of which Major General Campbell is president, is dissolved: the following extracts from its proceedings are published to the Army; and the sentence of suspension passed by the court on Lieutenant Colonel Kinsey, is to have effect from this date.

SENTENCE. The court finds the prisoner, Lieutenant Colonel Kinsey of the 2d Battalion 19th Regiment, not guilty "of having "employed Sepoys, and Sepoy recruits, and still employing "Sepoys, Sepoy guards, and Sepoy recruits, on his own pri-"vate purposes entirely unconnected with their duty as sol-"diers" —as stated in the 1st article of the 1st charge, but the court finds the prisoner guilty of having employed Sepoy guards in opposition to the orders of the Commander in Chief.

The court finds the prisoner Lieutenant Colonel Kinsey of the 2d Battalion 19th Regiment, not guilty, "of shameful "neglect of duty, highly injurious to the service in not hav-"ing kept up the proper establishment of doolies, and dooly "bearers, during the march of the corps from Masulipatam "to Bellary, and abuse of the trust reposed in him by Go-"vernment, in having employed a part of these doolies for the "conveyance of his private family, and battalion stores, in "consequence of, which, many of the sick were deprived of "medical aid, by being frequently left in the rear for several "days together," as set forth in the 2d article of the 1st charge, but the court finds the prisoner guilty of not having kept up the proper establishment of doolies during the march of the corps from Masulipatam to Bellary.

The court finds the prisoner Lieutenant Colonel Kinsey of the 2d Battalion 19th Regiment not guilty—"of arbitrary "conduct highly unbecoming the character of a command-"ing officer, in having torn the proceedings of a battalion "court martial, when delivered to him by the president in "presence of the Adjutant of the corps on the morning of the "28th December 1802"—as stated in the first article of the 2d charge, but the court finds the prisoner guilty of conduct, unbecoming the character of a commanding officer, in having torn the proceedings of a battalion court martial, when delivered to him by the president, in presence of the adjutant of the corps on the morning of the 28th December 1802.

The court finds the prisoner, Lieutenant Colonel Kinsey of the 2d Battalion 19th Regiment guilty "of employing in "opposition to the orders of Government, the Honorable "Company's Store Lascars for his own private purposes af-"ter his succession to the command of Bellary" as set forth in the 3d charge, but the court is of opinion that such employment of Lascars was limited to very few in number,

upon

upon two occasions only, and that it does not appear to have impeded the public service.

The Court having found the prisoner, Lieutenant Colonel Kinsey of the 2d Battalion 19th Regiment, guilty in the instances above stated, adjudges him to be suspended from rank, and pay, for six calendar months from the confirmation of this sentence.

Consideration for the uncommon good character of the prisoner, could alone have induced Major General Smith to confirm, in

in the first instance, a sentence of corporal punishment on a soldier who has been committed by a General Court Martial of crimes of so heinous a nature; but in publishing the above proceedings, he has it in command to express the opinion of his Excellency Lieutenant General Stuart, of the great lenity shewn by the court in the sentence passed upon William Gillet, and he is further directed to publish the extreme displeasure of His Excellency the Commander in Chief, of a conduct so very unmilitary, and so dangerous to discipline as that manifested by a part of his Majesty's 34th Regiment on the night of the 27th of May last.

The sentence above passed upon the prisoner William Gillet to be carried into execution at the head of his Majesty's 34th Regiment, at such time and place as the Right Honorable the Governor of *Fort St. George*, shall be pleased to order that corps to be under arms for the purpose.

Extract from General Orders by the Commander in Chief, dated HEAD QUARTERS, CAMP NUNDIAL, 26th *June* 1803.

The Commander in Chief has recently learned with much surprize that the Sword, and Sash, of a deceased Officer, which by Military usage are carried in the funeral procession, have been claimed as a perquisite by the Staff Officer of a Garrison; and that this claim has been asserted as a right, derived from ancient custom long practised in all, and still continued in some of the Garrisons, and Military Stations, under the Presidency of *Fort St. George*.

That the Arms of an Officer, the Symbols of his honor, the most flattering memorial of affectionate esteem which a dying Soldier can bequeath to a surviving Friend, should be thus indecently claimed, cannot but excite a sentiment of indignation in the minds of military men.

Without investigating the origin of this pretended right, or tracing the antiquity of a custom which no extent of precedent can stamp with the character of propriety, the Commander in Chief forbids the continuance of this disgraceful practise in any Garrison, Cantonment, or Military Station, under the Presidency of *Fort St. George*. — He publishes to the Army that no claim of right exists in any Officer or Soldier, officiating at a Military Funeral, to the Arms of the deceased; and directs this order to be inserted in the standing Orders of every Garrison — Cantonment — and Military Station — under the Presidency of *Fort St. George*.

(Signed) T. BOLES,
Acting Assistant Adjutant General.

SENTENCE.—The Court having taken into consideration the charges above preferred against the Prisoner Lieutenant Andrew Fraser, and the allegations of the said Prisoner, and the proofs adduced on both sides, and having maturely weighed the same, doth find the said Prisoner, Lieutenant Andrew Fraser, *not Guilty* of the 1st charge above preferred against him. Viz. of conduct unbecoming the character of an Officer, and a Gentleman, in having on, or about, the 22d day of July 1802, detained, and opened, and never forwarded a Letter sent by Lieutenant Colonel St. John to the Post Office under his charge, addressed to, and to be forwarded to Lieutenant Gowler —Paymaster of H. M. 73d Regiment.

And the Court doth find the said Prisoner, Lieutenant Andrew Fraser, *not Guilty* of the 2d charge above preferred against him—viz. of conduct unbecoming the character of an Officer and a Gentleman in having during the Months of March and April last, frequently sent for and brought back the Tappal Bag, after it had been some time dispatched, and in possession of the Peons at their own houses (where they waited the arrival of the Trippasore Tappal) during which time the Tappal was opened, and usually kept back about an hour.

And the Court doth find the said Prisoner Lieutenant Andrew Fraser, *not Guilty* of the third charge above preferred against him—viz. of conduct unbecoming the character of an Officer, and a Gentleman, in having at sundry times since January last, detained certain Letters one day longer than was necessary, and delivered them with those of the next day's arrival.—But particularly in having between the 14th and 27th days of April 1803, detained, and opened, the following Letters which had come by Post into his hands to be delivered to the different Persons, to whom the same were directed; to wit—three Letters addressed to the Honorable Mrs. St. John, and six Letters addressed to Lieutenant Colonel Munro, the last of which never was delivered.

And the Court doth most fully and honorably acquit the said Lieutenant Andrew Fraser of all the said charges.

(Signed) A. ANSTRUTHER,
Judge Advocate.

(Signed) J. M'KERRAS,
Major and President.

APPROVED AND CONFIRMED,
(Signed) J. STUART.

In publishing to the Army the Sentence which *most fully and honorably* acquits Lieutenant Fraser of the offences stated in the charges urged against him, the Commander in Chief thinks it necessary to express in public orders his sentiments on the conduct of Lieutenant Colonel Innes Munro, who preferred those charges, and placed Lieutenant Fraser in arrest.

When Lieutenant Colonel Munro listened with attention to

assertions tending to fix on the character of Lieutenant Fraser an imputation of the most serious nature, and recorded the allegations of his accusers with formal precision, a due consideration for the honor of his profession,—candour to a Brother Officer accused of a most improbable crime,—or a sense of common justice, should have suggested to him the propriety of demanding an explanation from Lieutenant Fraser, before he proceeded to act on the presumption of that officer's delinquency.

It appears on the proceedings of the Court, that Lieutenant Fraser repeatedly requested of Lieutenant Colonel Munro, to be heard in explanation, but in vain.—Impartial justice requires a different procedure: and had Lieutenant Colonel Munro complied in the first instance with Lieutenant Fraser's request, he might have avoided the mortification of subsequently declaring to the Court, *"that Lieutenant Fraser was completely innocent, "and that he himself had been grossly imposed upon"* when called to substantiate by evidence the Charges which he had deliberately preferred against him.

The Commander in Chief is concerned, that any circumstances should require a comment of this nature on the conduct of an Officer of Lieutenant Colonel Munro's rank, and length of service, but he feels it to be his duty to mark such conduct in terms of strong disapprobation.

On the publication of the sentence on Lieutenant Fraser, in *Fort St. George*, that Officer will be released from arrest, and directed to return to his duty at *Poonamallee*.

Lieutenant Fraser being released from arrest, will return to his duty at *Poonamallee*, and the General Court Martial of which Major M'Kerras is President, is dissolved.

G. O. By Government.

The Right Honorable the Governor in Council has been pleased to direct, that the following Extract from a Letter from the Honorable the Court of Directors, dated the 4th February 1803, shall be published in General Orders.

Para. 2d—" We have taken into consideration the application referred to, in the 100th and 102d Paragraphs of your " Military Letter of the 29th May last, from the several Ca- " dets of the season 1800, who omitted to produce His Ma- " jesty's Commissions when first appointed by us, and upon " examining the dates of their respective commissions transmit- " ted by you, we have resolved to grant them that priority of " rank to which they would have been entitled under our Re- " gulations, had we been furnished with their Commissions in " the first instance; you will therefore remove them from " among those Cadets who did not produce any commissions to " us, and place them on the list of the Commissioned Officers, " agreeably to the following directions, viz."

" Mr. George Tucker who was originally ranked between " Mr. Patrick Mathew, and Mr. Stephen Martin on our List " of Cavalry appointments for 1800, must now be placed be- " tween Mr. Archibald Scott, and Mr. William Coote Camp- " bell."

" Mr. Richard Lacy Evans, a Cadet for the Infantry of the " season 1800, you will remove from between Mr. Robert " Short, and Mr. Thomas Bulman, and place him between " Mr. Henry Wright Menzies, and Mr. John Skene."

" Mr. Archibald Nathaniel Bertram, you will remove from " between Mr. Richard Burrows Bourne, and Mr. Robert " Fenwick: also, Mr. Thomas James Palmer, from between " Mr. John Ardagh, and Mr. Daniel Kennedy, and place " them between, Mr. William Robertson, and Mr. John " Johnston."

" It will appear in the instance of Mr. Palmer, that we " have assigned him a higher rank than he is entitled to, under " the Commission transmitted in your Military letter, but his " Friends having previously delivered in a prior commission as " Ensign in the second, or Queen's Royal Regiment of Foot, " dated 3d July 1796, we direct that you give him the rank " mentioned in the preceding Paragraph, next to Mr. Ber- " tram."

" Mr. Narcissus Henry Hatherly, you will remove from " between Mr. Edwin Lott, and Mr. John Thomas Gibson, " and place him between Mr. David Laurie, and Mr. James " M'Nab."

The

"Mr. Robert Maver, you will likewise remove from be-
"tween Mr. John Dalziel, and Mr. John Unwin Hume, and
"place him next to Mr. Charles Diring, the last Cadet who
"produced to us His Majesty's Commission, at the time he
"was appointed a Cadet on your Establishment."

"Upon comparing the date of Mr. William Seton's Com-
"mission, with the date of his admission into our service, he
"is clearly not entitled to any higher rank than that origi-
"nally assigned him, in our List of 1800."

3*d*—"Mr. John Shenton Cole, a Cadet for the Infantry on
"your Establishment, had taken his passage on the Ship Hin-
"dostan, and in consequence thereof, he was ranked at the
"head of the first class of Cadets transmitted you by the *Har-
"riet*.—The *Hindostan* having been unfortunately lost on her
"passage to the Downs; Mr. Cole has been disappointed
"of his accommodation on that Ship, and is now to proceed
"on the *Walpole*.—We have thought it necessary to apprize
"you of this circumstance, in order that Mr. Cole may not be
"deprived of that rank to which he was originally appoint-
"ed, and which we have relsoved shall be continued to him."

4*th*—"Mr. Frederick Molloy Whitehead, a Cadet on your
"Establishment, who has taken his passage on the *Harriet*,
"having produced to us satisfactory testimonials of his hav-
"ing acted as a Cadet in the Royal Regiment of Artillery at
"Woolwich, he is entitled under our Regulations, to rank
"at the head of the Cadets proceeding by the above Ship:
"and you will accordingly remove him from between Mr.
"Nicholas Lynch, and Mr. William Johnson Bowes, and
"place him between Mr. David Binny, and Mr. Richard
"John Brooke, on the List of Rank of the first Class of
"Cadets, transmitted you by the Harriet before mentioned."

5*th*—"Since making up our List of rank of the first Class
"of Cadets of this season, by the Ship Harriet, we have ap-
"pointed Mr. John William Townsend, a Cadet on your
"Infantry Establishment; and Mr. Townsend having taken
"his passage by the above Ship, he is entitled to rank be-
"tween Mr. Nicholas Lynch, and Mr. William Johnson
"Bowes, in the first Class of Cadets before mentioned, and we
"direct that you assign him that rank accordingly."

6*th* – "We have appointed Mr. Samuel Cotton, an Assistant
"Surgeon of the present Season (1802)."

In consequence of the Instructions contained in the foregoing Extract, the Commander in Chief is requested by the Right Honorable the Governor in Council, to issue the necessary orders for correcting the dates of rank formerly assigned to the undermentioned officers, and for regulating their relative seni-

ority

ority in the Regiments to which they have been appointed.
